

## Commercial Drones- A Look at the new Regulations and Applications for Commercial Use

This event will start the conversation around sUAS deployment for West Michigan by addressing some of the key aspects of the new regulations, potential benefits of sUAS, and addressing risk management topics. We will be joined by a member of GRR ATC.

**Directions:** The Kent Career Technical Center's Aviation Center hangar will be used for this event. When arriving to KGRR airport via John J Oostema Blvd; the hangar is visible on the right (large white building with a yellow stripe around the top) just east of the fuel farm. The building is accessible via VanLaar Dr.
